Athletic Travel Policy Form

The travel policy for the Quinlan Athletic Department was established to promote team unity for all athletic teams. The purpose of this form is to inform all parents or guardians of the long established policy.

The policy states, “All players, managers, trainers, and staff must ride a T.E.A. approved district school bus to and from all athletic contests/activities. In case of a family emergency or an unforeseen special situation, athletes can be released to their parent or guardian. A note from the parent or guardian stating the situation must be turned in and approved by the Athletic Director. The Athletic Director will inform the supervising coach of the situation and remind the coach to only release the athlete to his or her parent or guardian.”

The notification of the Athletic Director should be made as soon as the parents become aware of the unforeseen situation. This policy is in effect for the safety of the students and for liability responsibilities practiced by the school district.

Please sign and date this travel form. This form must be on file in the Athletic Director’s office in order for the athlete to participate in athletic contests on the road.

Thank you for your cooperation and understanding of this matter.
