

District Goals

-  To build a true learning culture of high expectations, high moral character, strong discipline, competitiveness and respect for others that yields positive student achievement and encourages progressive, entrepreneurial, innovative and creative thinking
-  To create and maintain classrooms that foster deep and authentic learning through engaging, interactive and progressive instruction
-  To prepare all students academically, vocationally, emotionally and socially for a 21st Century World
-  To promote college & career readiness
-  To become a safe haven for all students
-  To become a lighthouse district worthy of emulation
